HASL SPRING CONFERENCE: APRIL 28, 1979

When was the last HAWAIIANA conference sponsored by HASL? If you remember Kamehameha School, 1973, you're correct! Get ready for "NA ILINA O NA WAIWAI O HAWAII II." The Spring HASL conference, with the College of Education as a co-sponsor, has planned a "biggie" for Saturday, April 28th on the campus of Mid-Pacific in beautiful Manoa. The scheduled workshops promise to be both exciting and informative. Moreover, the film, "Taro Tales" (ETV/DOE film) will be shown for the first time.

The Hawaiian lunch will include kalua pig, chicken long rice, lomi salmon, poi, sweet potato pineapple and beverage. All this for only 4.00! With the luncheon speaker, Dr. O.A. Bushnell, this is something not to be missed.

Come, join us! Get your registration in as soon as possible, invite your teachers, and get set for an unforgettable experience.
